**NOTICE OF NONCOMPLIANCE**

**RE: Case No. PU-10-147  
Ashtabula Wind III, LLC  
Ashtabula III Wind Energy Center – Barnes County**

The Commission's August 4, 2010, Findings of Fact, Conclusions of Law and Order (Order) in Case No. PU-10-147 issued Certificate of Site Compatibility No. 17 to Ashtabula Wind III, LLC designating a location for the construction, operation, and maintenance of the Project.

**As-built GIS data**

Order paragraph 31 requires that the Company provide the Commission with as-built engineering design drawings and an electronic version of the as-built drawings that can be imported into ESRI GIS mapping software within six months after construction of the energy conversion facility is complete. It appears the Company has not filed the electronic version of the as-built drawings that can be imported into ESRI GIS mapping software and is in noncompliance of the Commission's Order.

Staff requests the facility drawings and data be filed with the Public Service Commission by February 11, 2022, to avoid further action due to noncompliance.
