Circulation District Manager

The Dickinson Press is seeking a full-time District Manager. Responsibilities include carrier selection, customer service, and circulation growth. You will also work closely with carriers and customers to ensure satisfaction and deliver shortages to carriers and subscribers. This position demands flexibility, including weekend and early morning hours, in all weather conditions. If you are a creative self-starter, motivated by sales and focused on exceptional customer service, then this position is for you.

The ideal candidate will be self-motivated with the ability to work both independently and as a member of a team. This position requires strong time management skills, including the ability to set priorities and give attention to detail. Windows based PC experience and excellent organizational and communication skills are required. You must have a reliable personal vehicle, a valid driver's license, current automobile insurance, and a clean driving record. This position requires routine lifting/carrying of 20 pound loads as well as occasional sitting, standing and walking for extended periods. Sales or marketing background helpful; previous newspaper experience is a definite plus.

Please apply at The Dickinson Press 1815 1st Street West Dickinson, ND 58601 or submit letter of application and resume to Harvey Brock, Publisher, at hbrock@thedickinsonpress.com. No phone calls please. This is a salaried position, exempt from overtime, starting at \$22,968 per year, plus commission. We are an equal opportunity, drug-free workplace.

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each 9-cell row, each 9-cell column and each 3x3 box contains each number only once. The difficulty level of the Conceptis Sudoku increases from Monday to Sunday.

TELECOMMUNICATIONS RELAY SERVICE SURCHARGE
 May 12, 2010
 On April 21, 1993, Governor Edward T. Schafer approved House Bill No. 1028 that established a program to provide specialized telecommunications services and equipment to the communications impaired. The relay services program is funded by an access line surcharge paid by the customers of local exchange companies and radio communications service providers.
 The relay services program is administered by the Information Technology Department of the State of North Dakota. Before June 1 of each year, the Public Service Commission calculates the amount of the surcharge based on cost data and other information provided by the Information Technology Department. The Commission has calculated the 2010-2011 surcharge to be included in bills to customers is \$.05 per access line per month.
