The public will also be able to hear the input session by connecting to the Commission's web site <http://www.nd.gov/psc> and then clicking on the link at the bottom of the home page that says Broadcast of Public Input Sessions over IVN. The Commission will receive e-mail questions during the session at ndpsc@nd.gov.

A public input session is not considered part of the technical hearing and the discussion at a session will not become part of the record evidence reviewed by the Commission in making its decision. The discussion will, however, aid the Commission and its staff in identifying areas of concern that may require further investigation.
