Muskrat Love?

We're not sure what the story is behind the collection of muskrat corpses on Matt Kretschmar's truck... Failure to stop at a Muskrat Crossing? A warning from The Mob? Muskrat Hail? Or perhaps "friends" with too much time and too many muskrats.

CORRECTION:

In last week's edition of the Ashley Tribune, in a public notice regarding a May 12 transmission line hearing, the actual text and graphics of the notice were accurate, however a headline added by the newspaper erroneously said the meeting would be held in Ashley when in fact it will be held in Ellendale.
