**RE: BakkenLink Pipeline LLC  
Case No. PU-10-218**

Dear Mr. Nitschke:

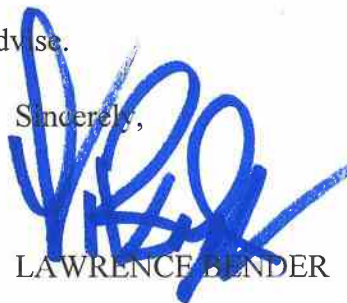

On June 22, 2018, Andeavor Field Services LLC submitted its Consolidated Application for Amended Order, Third Amended Certificate of Corridor Compatibility and Third Amended Route Permit to the North Dakota Public Service Commission ("Commission") requesting an amendment to the order issued in the above-captioned case allowing for the transmission of natural gas liquids and/or Y-Grade product through a certain portion of the existing BakkenLink Pipeline.

Please find enclosed here with an original and ten (10) copies of the map detailing the portion of the existing BakkenLink Pipeline to be repurposed as a natural gas and/or Y-Grade product pipeline is enclosed herewith for your reference. The "BakkenLink Repurpose" portion of the pipeline is identified in dark blue color, begins south of Watford City, ND at the "Watford Receipt" and ends at or near the interconnection with the High Plains Oil Pipeline. This map was filed as Docket No. 45 in Commission Case No. PU-18-72.

A disk containing the above-reference document in PDF format is also provided.

Should have any questions, please advise.

Sincerely,

LAWRENCE BENDER
