**RE: Public Service Commission vs. Organic Grain and Milling, Inc.  
CIVIL NO. 10-10-C-68**

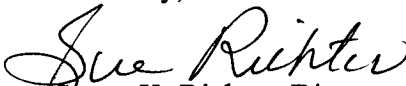

**PSC Case No. GE-10-327**

Dear Ms. Schwartz:

The Commission received five checks for outstanding accounts receivable totaling \$28,148.74. These proceeds were deposited into an interest bearing trust account with the Bank of North Dakota. On August 4, 2011, the Commission was issued a cashier's check representing reimbursement of expenses incurred in the administration of the insolvency, as ordered by the court. On this same date, the Commission mailed a cashier's check to the claimant for the approved cash claim amount plus interest and a cashier's check to Organic Grain and Milling, Inc. representing return of the remaining balance in the trust fund, as ordered by the court. On August 4, 2011, the Commission also mailed checks, from the credit-sale contract indemnity fund, to the claimants for the approved credit-sale contract claims, as ordered by the court.

This completes the insolvency proceeding and the case can be closed. Thank you for your assistance in this matter and if you have any questions, please call me at 701-328-4097.

Sincerely,

  
Susan K. Richter, Director  
Licensing Division
