Licensing and inspection activities carried out in the normal course of business do not constitute enforcement activities that may be prohibited due to the filing of a bankruptcy proceeding absent a relief from the automatic stay. Further telephone conversations clarified and set apart adverse licensing actions by the commission to address your concerns.

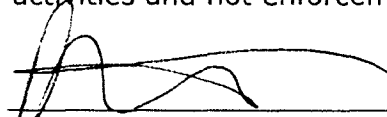

Please sign this letter below to indicate that you confirm this understanding. Please retain a copy for your records, and return the original to the Commission where it will become part of the Grabanski Grain, LLC license file.

Thank you for your attention to this matter. Please do not hesitate to contract me with any questions.

Sincerely,
