**Re: Public Service Commission v Grabanski Grain LLC and Platte River Insurance Company  
Civil No. 50-2011-CV-00029**

Dear Counsel and Ms. Richter:

It sounds like the PSC is wrapping up the claims in this matter and getting ready to present to Judge Geiger.

I would like to have a chance to review all the information that the Public Service Commission considered relevant to establishing the bond claims which the Platte River Insurance Company will be asked to pay. I am sure your staff reviewed information and probably even copied some information that you did not use as proof in making your decision. I would not be interested in seeing or having that.

If you told me, I have forgotten the exact number of claims you felt should be paid under the bond. I am thinking in the 20's?

I don't know what amount of records are involved here, but unless it is more than 10 pages for each claim I would like to have a copy of the records for each of those claims.

I will be in Bismarck on May 9, 2012 for an 8:30 a.m. meeting with the North Dakota Health Council. I don't have the agenda for the meeting yet so I don't know when it might be over, but would anticipate early afternoon. Could I stop up then and maybe have someone show me what was looked at on one or two of the claims and then take that information?

Very Truly Yours,

Gordon W. Myerchin
