Sox get Ramirez

Associated Press

As expected, the White Sox claimed Manny Ramirez in the unpredictable but productive 12-time All-Star slugger on waivers from the Los Angeles Dodgers, counting on his powerful bat, full of so many October swingers and homers, to help them make a postseason push.

"Hopefully, he can contribute in here and give us some help," White Sox first baseman Paul Konerko said. "We need to make up some ground."

US basketball survives test

Associated Press

ISTANBUL (AP) — Derrick Rose thought it was going to be a close one. So did Leandro Barbosa, who shot it.

Instead, Brazil's attempt to tie at the buzzer fell out, and the United States remained unbeaten, though no longer unchallenged.

A world championship won't come easily for this young team — if it comes at all — so the Americans believe the 70-68 victory over Brazil on Monday will help them in the later rounds.

"Sometimes family that goes through adversity gets a little better," center Lamar Odom said. "It's a game we probably needed. Probably a good tuneup, especially going into the medal rounds, trying to finish up this tournament."

Kevin Durant scored 27 points and Chauncey Billups added 15 for the Americans (3-0), who essentially clinched Group B with the victory. But they have bigger goals than group championship, trying to end a 16-year U.S. drought in this event.

This U.S. team has to do without Kobe Bryant, LeBron James and all the other players who led the Americans to the gold medal in the 2008 Olympics, and those guys never needed breaks at the buzzer.

"This game right here was an eye opener," said Rose. "You know that teams are really coming in here to try to win the tournament and we're here to do the same."
