RE: Warehouse License - Request for Temporary Authority
Columbia Grain International, Inc.

Columbia Grain International, Inc., Portland, Oregon, filed applications to operate grain warehouse facilities at Crete and Oakes under facility-based grain buyer licenses. These facilities were purchased from Crete Grain Company. Crete Grain Company will retain their grain warehouse licenses for physically disconnected facilities until a later date.

Statutory compliance has been met and Staff recommends that facility-based grain buyer licenses be issued to Columbia Grain International, Inc effective August 16, 2010, and that this action be noticed on the Commission's Agenda.

Please sign and date this request which is temporarily approved until the Commission issues an Order on the matter at a subsequent Commission Meeting.

Temporary authority authorized.
