**Re: Hiland Operating, LLC
Case Number PU-10-555**

Dear Mr. Nitschke:

On September 9, 2015, the undersigned received a letter from Patrick Fahn, Director of Compliance and Competitive Markets for the North Dakota Public Service Commission (“Commission”) regarding the above-captioned matter. The letter requested documentation in accordance with recommendations following a post construction inspection. To that end, please find enclosed herewith for filing an original and ten (10) copies of the following:

- 1) Letter from Keitu Engineers & Consultants, Inc. regarding post construction tree removal;
- 2) As-built drawings for the natural gas pipeline in McKenzie County, North Dakota; and
- 3) Documentation of pressure testing.

With respect to maintenance and monitoring since final right-of-way cleanup, such maintenance has been completed and annual communications have been undertaken with the landowners to ensure satisfaction. Based on these communications, all landowners have noted their satisfaction with the conditions of their land to date.
