Subject: Standing Rock Telecommunications, Inc./ PU-10-574

Please consider this a notice of appearance on behalf of West River Telecommunications Cooperative as it concerns the application of Standing Rock Telecommunications, Inc (SRTI). for ETC status and the relief it has requested from the ND PSC as ancillary to that FCC process. I have not seen that anything else has been submitted or placed on the agenda following the letter from SRTI to the North Dakota Public Service Commission dated August 26, 2010 concerning SRTI's request to the North Dakota Public Service Commission contained in that letter. It is my understanding that nothing further is scheduled as of now.

We would ask that the parties to this email be kept apprised of any future developments or scheduled.

In advance, thank you for your cooperation,

Don Negaard
