RE: Warehouse License
Walhalla Bean Company – Fairdale, ND

Walhalla Bean Company filed a license application to operate a 20,000-bushel grain warehouse at Fairdale, North Dakota on an as-needed basis. This facility will be used to receive dry edible beans during harvest. Since this facility is licensed by CHS, Inc. as a facility-based grain buyer, it does not meet the criteria for establishing a receiving station at this location. Therefore, Walhalla Bean Company must obtain a grain warehouse license to receive dry edible beans at Fairdale.

Statutory compliance has been met and Staff recommends that the license be issued to Walhalla Bean Company at Fairdale, North Dakota. A corresponding motion and order are attached.
