NOTICE OF CALL FOR BIDS FOR GRAVEL, CRUSHING & HAULING
The Board of County Commissioners of Williams County, North Dakota, will receive sealed bids at the office of the County Auditor, PO Box 2047, Williston, ND 58802-2047, up until, March 4, 2011 at 9:00a.m. Central Time for a period of one year or until new bids are accepted for loading, hauling, and spreading gravel; and crushing approximately 75 thousand or more yards of Class 5 material to meet ND Department of Transportation Specifications.

No gravel crushing bid will be considered unless accompanied by a minimum 5% bid bond. A minimum of 50,000 cubic yards of gravel must be crushed by July 15, 2011 and the balance to be completed by November 15, 2011, or there will be liquid damage of \$500.00 per day.

Prices for crushing will include mobilization, stripping and restoration of pit. Bids to specify kind and size of equipment and include both ton and yardage charge. Bid forms may be obtained at the Williams County Highway Department at 213 West 11th Street or by phoning (701)577-4521.

A separate bid will also be received for Williams County and the City of Williston for crushing asphalt and concrete to their specification. Successful bidders shall enter into a signed agreement with the Williams County Highway Department, with 100% performance and payment bond to the low and responsible bidder. Information on such agreement is available at the Williams County Highway Department. The Board reserves the right to accept or reject any or all bids or parts of bids. By order of the Board of County Commissioners.

NOTICE OF CALL FOR BIDS FOR TIRES

The Board of County Commissioners of Williams County, North Dakota, will receive sealed bids at the office of the County Auditor, PO Box 2047, Williston, ND 58802-2047, up until, March 4, 2011, at 9:00a.m. Central for furnishing tires and tubes for County Highway and City of Williston equipment, for a period of one year or until new bids are accepted. Proposals to specify grades, sizes, and price; cost to include mounting, delivered F.O.B. Williston, North Dakota. Bid envelope to be marked "Bid on Tires". The Board reserves the right to accept or reject any or all bids or parts of bids. By order of the Board of County Commissioners.

STATE OF NORTH DAKOTA PUBLIC SERVICE COMMISSION
Montana-Dakota Utilities Co., a Division of MDU Resources Group, Inc. Waiver of the Federal Pipeline Safety Regulations Application Case No. GS-10-585
NOTICE OF OPPORTUNITY FOR HEARING AND NOTICE OF INFORMAL HEARING
February 9, 2011

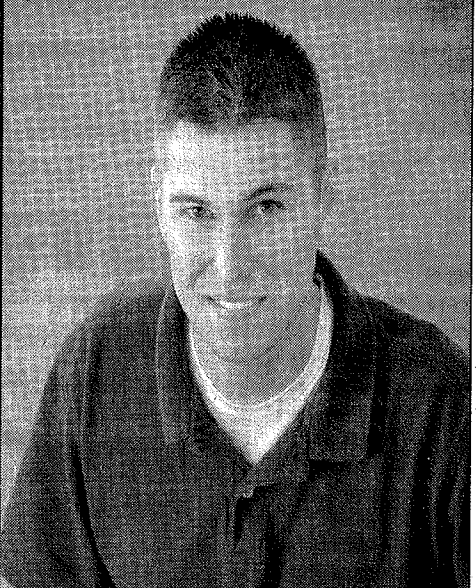

On September 14, 2010, Montana-Dakota Utilities Co. (MDU) filed an application for a waiver of Title 49 Code of Federal Regulations (CFR) Part 192 section 285(c), adopted by reference under North Dakota Administrative Code section 69-09-03-02 relating to re-qualification requirements for a person making plastic pipe joints. On December 15, 2010 and January 7, 2011, MDU filed revisions to its request for waiver.

Under 49 CFR 192.285(c): A person must be requalified under an applicable procedure, if during any 12-month period that person (1) does not make any joints under that procedure; or (2) has 3 joints or 3 percent of the joints made, whichever is greater, under that procedure that are found unacceptable by testing under § 192.513. Montana-Dakota Utilities Co. proposes that a person be requalified under an applicable procedure, at least once each calendar year at intervals not exceeding 15 months, if that person does not make any joints under that procedure in the preceding calendar year or has 1 joint that is found to be unacceptable by testing under 49 CFR 192.513. Montana-Dakota Utilities Co. asserts that this proposal would enable them to employ the same testing schedule in all of its operating areas, thereby promoting administrative efficiency and a proper allocation of resources.

Under the United States Department of Transportation's Guideline for States Participating in the Gas Pipeline Safety Program, the Commission may grant a waiver of a pipeline safety regulation subject to the concurrence of the Pipeline and Hazardous Materials Safety Administration. A waiver may be granted when it is not practical to comply with a regulation of general applicability. The issues to be considered in this matter are:

1. Whether it is practical for Montana-Dakota Utilities Co. to comply with 49 CFR 192.285(c).
 2. Whether a waiver of 49 CFR 192.285(c) should be granted for Montana-Dakota Utilities Co.
- Those interested are invited to comment on the application in writing. Persons desiring a hearing must file a written request identifying their interest in the proceeding(s) and the reasons for requesting a hearing. Comments and requests for hearings must be received by March 25, 2011. If deemed appropriate, the Commission can determine this matter without a formal hearing. An informal hearing on this matter has been scheduled for March 23, 2011 at 1:30 p.m. CDT in the Commission Hearing Room on the 12th Floor of the State Capitol in Bismarck.

Think fast - think FedEx.

FedEx Ground. Thinking about some fast cash? Join the fast-paced FedEx Ground team as a part-time Package Handler. You'll work up a sweat. And in return, get a weekly paycheck, tuition assistance and more.
