ADVERTISEMENT FOR BIDS GRAND FORKS PUBLIC SCHOOLS Grand Forks Central High School RENOVATIONS AND ADDITIONS Grand Forks, North Dakota
Owner: Grand Forks School Board
Grand Forks Public Schools
Grand Forks, North Dakota

Sealed proposals for General, Theoretical, Mechanical, and Electrical Construction for the Grand Forks Central High School Additions and Remodeling will be received by the Owner to the attention of Mr. Perry Marto, Director of Buildings and Grounds, Grand Forks Public Schools, Mark Sanford Education Center, 2400 47th Avenue South, Grand Forks, North Dakota, on Thursday, March 17, 2011, until 2:00 P. M., Local Time; at which time the bids will be opened publicly and read aloud at Mark Sanford Education Center.

The Drawings; Project Manual including Information to Bidders, Form of Bid, Form of Contract, Form of Performance-Payment Bond; Addenda, and other contract documents as prepared by JLG Architects; CPS, civil engineers; Heyer Engineering, structural engineers; and ONE, Inc., mechanical and electrical engineers; may be examined at the following places: The office of JLG Architects, Grand Forks, North Dakota; the Builders Exchanges in Grand Forks, Minot, Bismarck, Mandan, Devils Lake, and Fargo, North Dakota; Sioux Falls Builder's Exchange and Plains Builder's Exchange in Sioux Falls, South Dakota; Duluth Builder's Exchange, Minneapolis Builder's Exchange, St. Cloud, and St. Paul Builder's Exchanges in Minnesota; Reed Construction Data; Minnesota AGC ISQFT Plan Room, and FWDodge/McGraw Hill.

Prime bidders may obtain copies at the offices of JLG Architects, located at 124 North Third Street, Grand Forks, North Dakota upon payment of \$150.00 for each set. Any unsuccessful bidder, upon returning such in good condition within 15 days after the bid opening, will be refunded their deposit.

Each bid must be accompanied by a separate envelope containing the contractor's license and bid security. The bid security must be in a sum equal to five percent of the full amount of the bid and must be in the form of a bidder's bond. A bidder's bond must be executed by the bidder as principal and by a surety, conditioned that if the principal's bid is accepted and the contract awarded to the principal, the principal, within ten days after notice of the award, shall execute a contract in accordance with the terms of the bid, the bid bond, and any condition of the governing body. Bids shall comply with N. D. C. C. Chapter 48-01.2 as amended. If a successful bidder does not execute a contract within the time allowed, the bidder's bond shall be forfeited to the governing body and the project awarded to the next lowest responsible bidder.

All Bidders shall hold a valid North Dakota Contractor's license of the proper class for the full amount of the bid as required by North Dakota Law Sections 43-07-05 and 43-07-12 and shall enclose a copy of the license or Certificate of Renewal of the license in the same envelope as the Bidder's Bond. A Contractor shall be the holder of a license at least ten days prior to the date set for receiving Bids to be a qualified Bidder.

No bidder may withdraw this bid within 30 days after the actual date of the opening thereof. The Bid Bond of the three lowest Bidders for each contract will be retained until the contract has been awarded and executed, but no longer than thirty (30) days after the date of the Bid.

No bid will be read or considered which does not fully comply with the above requirements as to bond and licenses, and any deficient bid submitted must be resealed and returned to the bidder immediately.

Bids shall be in accordance with and submitted on the Bid form supplied within the Bid Documents. Failure to do so may result in rejection of the Bid. The Owner reserves the right to reject any and all bids and to waive any formalities therein, and rebid the project until a satisfactory bid is received.

The successful Bidder will be required at the time the contract is executed to provide a certificate from and by the office of the State Tax Commissioner showing that all taxes due and owing to the State of North Dakota have been paid, Workers' Compensation Insurance Certificate, Certificate of Insurance to include North Dakota Stop Gap coverage, "Builder's Risk coverage", Company Safety Manual, Performance and Payment Bond and Waiver of Subrogation.

A Pre-Bid Conference will be held at the site on Thursday, March 24, 2011, at 2:00 P. M. Local time. Contractors shall meet at the project site at the EERC National Center for Hydrogen Technology Center Building entrance.

The work of this Project shall be phased as defined on the Drawings and Project Manual. Occupancy and life safety systems shall be maintained during construction.

On September 17, 2010, Montana-Dakota Utilities Co. (MDU) filed an application for authority to recover \$907,773 related to the manufactured gas plant remediation work completed on the Southeast corner of the intersection of South 10th Street and East Front Avenue in the City of Bismarck, North Dakota.
In its original application, MDU requested to amortize the cost over a 5 year period beginning January 1, 2010.
On February 22, 2011, MDU filed an amended application to amortize the cost over 10 years, effective January 1, 2008. The changes resulted from discussions with the Commission staff. In the event MDU files a gas rate case during the amortization period, the Commission will seek to recover one-tenth of the cost in its proposed tariffs.
The issue to be considered in this case is whether to allow the amortization schedule as proposed by MDU.
Those interested are invited to comment on the application in writing. Persons desiring a hearing must file a written request identifying their interest in the proceeding and the reasons for requesting a hearing. Comments and requests for hearings must be received by April 27, 2011. If deemed appropriate, the Commission can determine the matter without a hearing.
