STATE OF NORTH DAKOTA
PUBLIC SERVICE COMMISSION
Montana-Dakota Utilities Co.
Manufactured Gas Plant Cost Recovery
Application

Case No. PU-10-589
NOTICE OF OPPORTUNITY FOR
HEARING
March 9, 2011

On September 17, 2010, Montana-Dakota
Utilities Co. (MDU) filed an application for
authority to recover \$907,773 related to
the manufactured gas plant remediation
work completed on the Southeast corner
of the intersection of South 10th Street and
East Front Avenue in the City of Bismarck,
North Dakota.

In its original application, MDU requested
to amortize the cost over a 5 year period
beginning January 1, 2010.
On February 22, 2011, MDU filed an
amended application to amortize the cost
over 10 years, effective January 1, 2008.

The changes resulted from discussions with
the Commission staff. In the event MDU
files a gas rate case during the amortization
period, the Company will seek to recover
one-tenth of the cost in its proposed tariffs.
The issue to be considered in this case is
whether to allow the amortization schedule
as proposed by MDU.

Those interested are invited to comment
on the application in writing. Persons
desiring a hearing must file a written
request identifying their interest in the
proceeding and the reasons for requesting
a hearing. Comments and requests for
hearings must be received by April 27, 2011.
If deemed appropriate, the Commission can
determine the matter without a hearing.
