Judge Hoberg & Counsel-

I have just spoken with the court reporter. She expects to finish the transcript on the 28th or 29th. I have two children who live out of town home next week and hope to take some time off, and our office is closed the 31st.

What I was wondering is if it would ok to extend the briefing schedule just a few days and have main briefs due January 11, and reply briefs due January 18. Would this be acceptable? Thank you for consideration of this matter.
