Re: Parcel ID #05945001, #05945002, and #05946000

Dear Douglas Johnson:

Please review the attached site map noting the proposed location of a pipeline (hereinafter referred to as "Facilities") associated with the Bakken Pipeline Expansion Project Application Enbridge intends to file with the North Dakota Public Service Commission. The map indicates that the Facilities will be located within 500 feet of your residence or business.

By signing below you are confirming that you have no objection to the installation of Enbridge's proposed Facilities at this location, or the future operation and maintenance of the Facilities. Your cordial cooperation in this matter is greatly appreciated.

Sincerely,

Douglas B. Aller
