PUBLIC SERVICE COMMISSION

Dear Mr. Nitschke:

RE: Enbridge Pipelines (North Dakota) LLC
Bakken Pipeline Project US
Ward and Burke Counties
Supplemental Filing
Docket No. PU-10-612
Our File No. 31-411-004

Enbridge Pipelines (North Dakota) LLC (hereinafter "EPND") is hereby filing certain information to supplement its *Certificate of Corridor Compatibility and Route Permit* application in the above -referenced proceeding. The purpose of this supplemental filing is to provide additional information obtained since the original filing of this application on November 5, 2010.

Therefore, EPND encloses herein an original and ten copies of the following information to be submitted under the respective "Tab No." as outlined in more detail below.

Tab No.	Type of Information	Explanation
1	Addendum to McCain and Associates, Inc. Wetland Delineation Report dated November 19, 2010	This addendum supplements the original McCain Report filed as Exhibit D.1 to EPND's <i>Certificate of Corridor Compatibility and Route Permit</i> application. This report provides the results of the wetland survey work completed in those areas where additional survey work was needed for minor reroutes and additional workspaces areas including

Tab No.	Type of Information	Explanation
		the additional workspace near the proposed Kenaston Station site. EPND has updated its Table 6 for “Field Delineated Wetlands Crossed by Bakken Pipeline” and its wetland impact discussion in Section B.4.b(8)(i). (See Tab 3 below.)
2	Correction to text on wetland impacts under Section B.4.k Water Resources , Page 46 of Application for a Route Permit	Subsequence to the November 5 th filing date, EPND has discovered an inadvertent error in the wetland discussion under Section B.4.k Water Resources of its Route Permit application. EPND has made the appropriate text revisions and submits a “Revised Page 46” to correct this matter. For the convenience of this Commission and its Staff, a redlined and clean version of Page 46 is enclosed to replace the originally filed page.
3	Updated Table 6 - Field Delineated Wetlands Crossed by the BPP US Route and supplemental information to Section B.4.b(8)(i) Route , to EPND’s Application for a Route Permit	EPND is supplementing Section B.4.b(8)(i) Route , of its <i>Application for a Route Permit</i> , based on results of McCain’s Addendum report for minor reroutes and additional workspaces areas including the additional workspace near the proposed Kenaston Station site. This supplemental filing includes an “Updated Table 6 - Field Delineated Wetlands Crossed by the BPP US Route” and supplemental information to update Section B.4.b(8)(i) of its Route Permit application.

Also attached is a CD of Revised Exhibit H as filed yesterday.

Please feel free to call me with any questions.

Very truly yours,

Wade C. Mann
