Notice of East Segment water application

Fort Berthold Rural Water System
308 4 Bears Complex
New Town, ND 58763
Phone: 701-627-3410

Notice of Intent to File
Application for Funds from
United States Department of
Agriculture (USDA)
Rural Development (RD)

Notice is given that the Fort Berthold Rural Water System (FBRW), as a program administered by the Three Affiliated Tribes of the Fort Berthold Indian Reservation, is making a loan and grant application for selected water supply and water delivery projects within the Fort Berthold Indian Reservation.

Such application is being made to the United States Department of Agriculture (USDA), Rural Development under their Water and Wastewater Facilities Program.

The Project is for a water delivery and storage Project for the East Segment of the Fort Berthold Indian Reservation. Work will involve installation of pipeline and associated work to selected areas into the rural areas of the East Segment for the purpose of delivery of water to homes and livestock users of the Segment.

The total estimated cost of all such facilities is estimated at approximately \$5.96M will be requested as loan or grant funds. Pending successful funding, the projects will be constructed in 2011 to 2013 depending on funding availability.

Any party wishing to obtain information on the proposed projects are invited to contact the Fort Berthold Rural Water Office, 308 4 Bears Complex, New Town, ND 58763, or call Lester Crows Heart, FBRW Director, 701-627-3410.
