State Capital – 12th Floor

Attn: Public Utility Division

Tariff Department:

Enclosed for filing with the North Dakota Public Service Commission (NDPSC) are seven copies of the following tariff issued by Enbridge Pipelines (North Dakota) LLC (Enbridge North Dakota):

N.D.P.S.C. Tariff No. 66, Local Rates (cancels N.D.P.S.C. Tariff No. 63)

These tariffs bear an issuance date of October 29, 2010 and an effective date of December 1, 2010.

Explanation of the Tariff Filing

N.D.P.S.C. Tariff No. 66 establishes initial gathering and truck unloading services and charges at Stanley (Montrail County), North Dakota and Tioga (Ramberg / Beaver Lodge Stations), North Dakota.

The rate at Stanley Station is a result of work done to increase the capacity of the station to accommodate the growing Bakken production in adjacent Mountrail and Burke Counties. This rate will only be charged to all volumes received at Stanley. Rates at Tioga (Ramberg / Beaver Lodge Station) resulted from requests for pipeline connection with Enserco Midstream LLC to facilitate receipts into Enbridge North Dakota. Only shippers utilizing these new interconnect services will be subject to the applicable charges.

In addition, the contact information of the compiler and the rules and regulations reference has changed on page one of N.D.P.S.C. Tariff No. 66.

Notification

I hereby certify that Enbridge North Dakota has, on or before this date, delivered copies of the above tariff to each person on Enbridge North Dakota's tariff subscriber list by U.S. postal service (First Class Mail) or by other means agreed upon.

A check in the amount of fifty dollars in payment of the filing fee has been sent via certified mail along with the paper copies of this tariff.

If you have any questions concerning this filing, please call Darren Hoeving at (403) 767-3709.

Sincerely,
