Matthew,

Good morning! Trust Lands has completed preliminary review of ROW#5813. Thank you for payment of the \$50 application fee and providing an adequate survey plat and narrative. Please forward an easement consideration payment calculated at \$50 per rod, for final review. Construction cannot begin until the consideration payment is received and the Land Commissioner has signed the easement. Please make your check payable to the ND Department of Trust Lands (State Fed Tax ID #: 45-6002470). Let me know if you have questions. Thanks.
