All bids are to be submitted on the basis of cash payment for the work and materials, and each bid shall be accompanied by a separate envelope containing the contractor's license and bid security. The bid security must be in a sum equal to five per cent (5%) of the full amount of the bid and must be in the form of a bidder's bond. A bidder's bond must be executed by the bidder as principal and by a surety company authorized to do business in this state, conditioned that if the principal's bid be accepted and the contract awarded to the principal, the principal, within ten (10) days after notice of award, will execute and effect a contract in accordance with the terms of his bid and the bid bond as required by the laws of the State of North Dakota and the regulations and determinations of the governing body. If a successful bidder does not execute a contract within ten (10) days allowed, the bidder's bond must be forfeited to the governing body and the project awarded to the next lowest responsible bidder.

All bidders, except a bidder on a municipal, rural, and industrial water supply project using funds provided under Public Law No. 99-294 [100 Stat. 426, 43 U.S.C. 390a], must be licensed for the full amount of the bid as required by Section 43-07-05 and 43-07-12 of the North Dakota Century Code. For projects using funds provided under Public Law No. 99-294 [100 Stat. 426, 43 U.S.C. 390a], the Bidder shall obtain a contractor's license for the full amount of its Bid within twenty days after it is determined the Bidder is the lowest responsible Bidder. Should the Bidder fail to obtain the license within the specified period the Bid will be rejected and awarded to the next lowest responsible Bidder.

The successful Bidder will be required to furnish Contract Performance and Payment Bonds in the full amount of the contract. Contracts shall be awarded on the basis of the low bid submitted by a responsible and responsive bidder for the aggregate sum of all bid items. be awarded for the work.

All bids will be contained in a sealed envelope, as above provided; plainly marked showing that such envelope contains a bid for the above project. In addition, the bidder shall place upon the exterior of such envelope the following information:

1. The work covered by the bidder
2. The name of the bidder
3. Separate envelope containing bid bond and a copy of Contractor's License or certificate of renewal.
4. Acknowledgement of the Addenda.

No Bid will be read or considered which does not fully comply with the above provisions as to Bond and licenses and any deficient Bid submitted, will be resealed and returned to the Bidder immediately.

The work on the improvement will be completed by October 15, 2012.

The Owner reserves the right to reject any and all bids, to waive any informality in any bid, to hold all bids for a period not to exceed days from the date of opening bids, and to accept the bid deemed most favorable to the interest of the Owner.

Should the Contractor fail to complete the work within the time required herein or within such extra time as may have been granted by formal extensions of time approved by the Owner, there will be deducted from any amount due the Contractor the sum of \$1,300.00 per day and every day that the completion of the work is delayed. The Contractor and his surety will be liable for any excess. Such payment will be as and for liquidated damages.

STATE OF NORTH DAKOTA PUBLIC SERVICE COMMISSION
Plains Pipeline, L.P.
Crude Oil Pipeline - Williams County Siting Application

Case No. PU-10-630

NOTICE OF FILINGS AND NOTICE OF HEARING
September 7, 2011

On August 12, 2011, Plains Pipeline, L.P. (Plains) filed an application for a certificate of corridor compatibility and an application for a route permit to authorize the construction and operation of approximately 31.8 miles of 12-inch crude oil pipeline from its existing Trenton Station to the North Dakota / Montana boundary, in Williams County, North Dakota. The pipeline would continue to the Wascana Pipeline located near Outlook, Montana. The total length of the propose pipeline is 79 miles. The project is shown on the attached map.

Plains also filed an application for waivers of procedures and time schedules including:

- Procedures that require separate filings of applications for a certificate of corridor

compatibility and a route permit.

- Procedures that require separate notices of an application for waivers, an application for a certificate of corridor compatibility and an application for a route permit, and
- Procedures that require separate hearings on such applications.

The Commission finds the applications are complete. A Public Hearing on the applications is scheduled to begin November 1, 2011 at 10 a.m. CDT at City Hall, 22 E Broadway, Williston, North Dakota, 58801.

The issues to be considered in Plains' application for waiver of procedures and time schedules are:

1. Are the proposed facilities of such length, design, location, or purpose that they will produce minimal adverse effects and that adherence to applicable procedures and time schedules may be waived?
2. Is it appropriate for the Commission to waive any procedures and time schedules as requested in the application?

The issues to be considered in Plains' applications for certificate of corridor compatibility and route permit are:

1. Will the location, construction, and operation of the proposed facilities produce minimal adverse effects on the environment and upon the welfare of the citizens of North Dakota?
2. Are the proposed facilities compatible with the environmental preservation and the efficient use of resources?
3. Will the proposed facility locations minimize adverse human and environmental impact while ensuring continuing system reliability and integrity and ensuring that energy needs are met and fulfilled in an orderly and timely fashion?
