Re: Case No. PU-10-630 Contract No. PU-623-12-EE
Plains Pipeline LP
31.8 miles of 12" steel crude oil pipeline- Trenton to ND/MT border

Dear Mr. Nitschke,

The State of North Dakota, acting through its North Dakota Public Service Commission (NDPSC), Division of Public Utilities, has engaged Keitu Engineers & Consultants, Inc. to perform consulting services for construction siting inspections. A final report without pictures was sent to you electronically via email. Enclosed are an original, copy, and the complete electronic version of the final report for the construction inspection of Case No. PU-10-630.

The Executive Summary identified that no non-compliance conditions were found during the construction inspection of July 17, 2012.

Should Commission staff or the NDPSC have any questions, please contact me for assistance.

Sincerely,

Timothy Spilman
Project Manager
