CATEGORICAL EXCLUSION DETERMINATION

May 10, 2011
PROPOSED PROJECT OF: Williams County, North Dakota

WATER STATE REVOLVING FUND PROJECT NUMBER: 380978-01

North Dakota Department of Health has conducted a review of the proposed project and a determination of how the project meets the criteria for a categorical exclusion.

The proposed project meets the criteria for a categorical exclusion, a full Finding of No Significant Impact and Environmental Assessment will not be required. Following is a description of the proposed project and a determination of how the project meets the criteria for a categorical exclusion.

The proposed project consists of extensions of water distribution and sanitary sewer systems west along the U.S. High-1 corridor. The properties in the project are not currently served by the City of Williston. The proposed project will provide adequate flow capacity to serve the properties involved with the project.

The project is being granted an exclusion because improvements will occur within and adjacent to the existing right-of-way of U.S. 2 and 2nd Street West. No previously disturbed areas will be affected by construction activities. The North Dakota Historic Preservation Officer has concluded that no Historic Properties will be affected. It has been determined that the proposed project from further review under the National Environmental Policy Act is not warranted.

The project will be designed to integrate recommendations made by the U.S. Fish and Wildlife Service. The timing of the project will be recommended restrictions to protect threatened and endangered species, birds, and bald and golden eagles. Construction activities will be conducted in a way to avoid or minimize any impacts to the area.

Documentation to support this decision is available and available for public review in the Office of Municipal Facilities.

999. Public Notices

Comments concerning this decision may be addressed to: Andrew Aakre, P.E., Environmental Engineer, Division of Municipal Facilities, North Dakota Department of Health, 918 East Divide Avenue, 3rd Floor, Bismarck, ND, 58501-1947.
