NOTICE OF NONCOMPLIANCE

**RE: Case No. PU-10-637
Rangeland Pipeline, LLC
Crude Oil Pipeline – Williams County**

The Commission's September 29, 2011, Order in Case No. PU-10-637 issued Certificate of Corridor Compatibility No. 123 and Route Permit No. 132 to Rangeland Pipeline, LLC (aka Inergy Dakota Pipeline, LLC and Crestwood Dakota Pipelines, LLC) ("Company") for the location of a 20.5-mile crude oil pipeline in Williams County, North Dakota.

As-built GIS data

Paragraphs 32 and 33 of the Certification Relating to Order Provisions, attached to and made part of the September 29, 2011, Order, require that the Company provide the Commission an electronic version of the approved corridor and an electronic version of the as-built facility design specifications within 3 months of the completion of the construction. It appears the Company has not filed this GIS mapping data and is in noncompliance of the Commission's Order.

Staff requests the GIS data be filed with the Public Service Commission by February 25, 2022, to avoid further action due to noncompliance.

Best regards,

Patrick Fahn
Director, Public Utilities Division
