Tariff Department:

Enclosed for filing with the North Dakota Public Service Commission (NDPSC) are seven copies of the following tariff issued by Enbridge Pipelines (North Dakota) LLC (Enbridge North Dakota):

N.D.P.S.C. Tariff No. 67, Local Rates (cancels N.D.P.S.C. Tariff No. 66)

This tariff bears an issuance date of December 1, 2010 and an effective date of January 1, 2011.

**Explanation of the Tariff Filing**

N.D.P.S.C. Tariff No. 67 establishes Berthold (Ward County), North Dakota as a new receipt point in the rates tariff. This tariff also establishes initial gathering and truck unloading services and charges at Berthold (Ward County), North Dakota and Tioga (Ramberg/Beaver Lodge Stations), North Dakota.

The rate at Berthold Station is to recover the costs resulting from the addition of new facilities, which include a new truck facility, station pumps and piping, and modifications to the external floating roof of an existing tank. This tariff will establish Berthold Station as a receipt point, provide a new injection point for surplus Mountrail and Burke County production, and provide access to the Enbridge North Dakota system. This rate will only be charged to volumes received at Berthold.

The rate at Tioga (Ramberg/Beaver Lodge Station) resulted from a request for a pipeline interconnection with Banner Transportation Company LLC to facilitate receipts into Enbridge North Dakota. Only shippers utilizing these new interconnect services will be subject to the applicable charges.

**Notification**

I hereby certify that Enbridge North Dakota has, on or before this date, delivered copies of the above tariff to each person on Enbridge North Dakota's tariff subscriber list by U.S. postal service (First Class Mail) or by other means agreed upon.

A check in the amount of fifty dollars in payment of the filing fee has been sent via certified mail along with the paper copies of this tariff.

If you have any questions concerning this filing, please call Stephanie Brown at (403) 718-3463.

Sincerely,
