Colleen
North Dakota Newspaper Association

Please have the attached Notice of Filing and Notice of Hearing and Map published two times as a legal publication in the following newspapers, with the first publication in the next issue of the following papers:

Tioga Tribune
Williston Herald

and the second publication after April 17 and before April 22 in the following papers :

Williston Herald

The map must be published as is. Please publish the map in the size of two or three columns wide. If you cannot publish the map as requested, please let me know as soon as possible.

Do not publish in the classifieds. Please run it as a "News Item Only" article as well.

Send the bill to the Public Service Commission along with a tear sheet for billing purposes.

Please confirm via email that you received this request.

If you have any questions or cannot open the files, please call me at 328-4076 or email.

Thank you.

PUBLIC SERVICE COMMISSION**

**Bear Paw Energy, LLC
Gas Processing Plants- Williams County
Siting Application**

Case No. PU-10-666

NOTICE OF FILING AND NOTICE OF HEARING

March 24, 2011

On February 17, 2011, Bear Paw Energy, LLC filed an application for a certificate of site compatibility to authorize construction and operation of two 100 million cubic feet per day natural gas processing plants to be located in Williams County, North Dakota, as shown on the attached map. The Commission finds the application is complete.

A **Public Hearing** on the application is scheduled to begin **April 25, 2011 at 11 a.m. CDT, City Hall, 22 E Broadway, Williston, North Dakota, 58801**. The issues to be considered are:

1. Will the location, construction, and operation of the proposed facilities produce minimal adverse effects on the environment and upon the welfare of the citizens of North Dakota?
2. Are the proposed facilities compatible with the environmental preservation and the efficient use of resources?
3. Will the proposed facility locations minimize adverse human and environmental impact while ensuring continuing system reliability and integrity and ensuring that energy needs are met and fulfilled in an orderly and timely fashion?

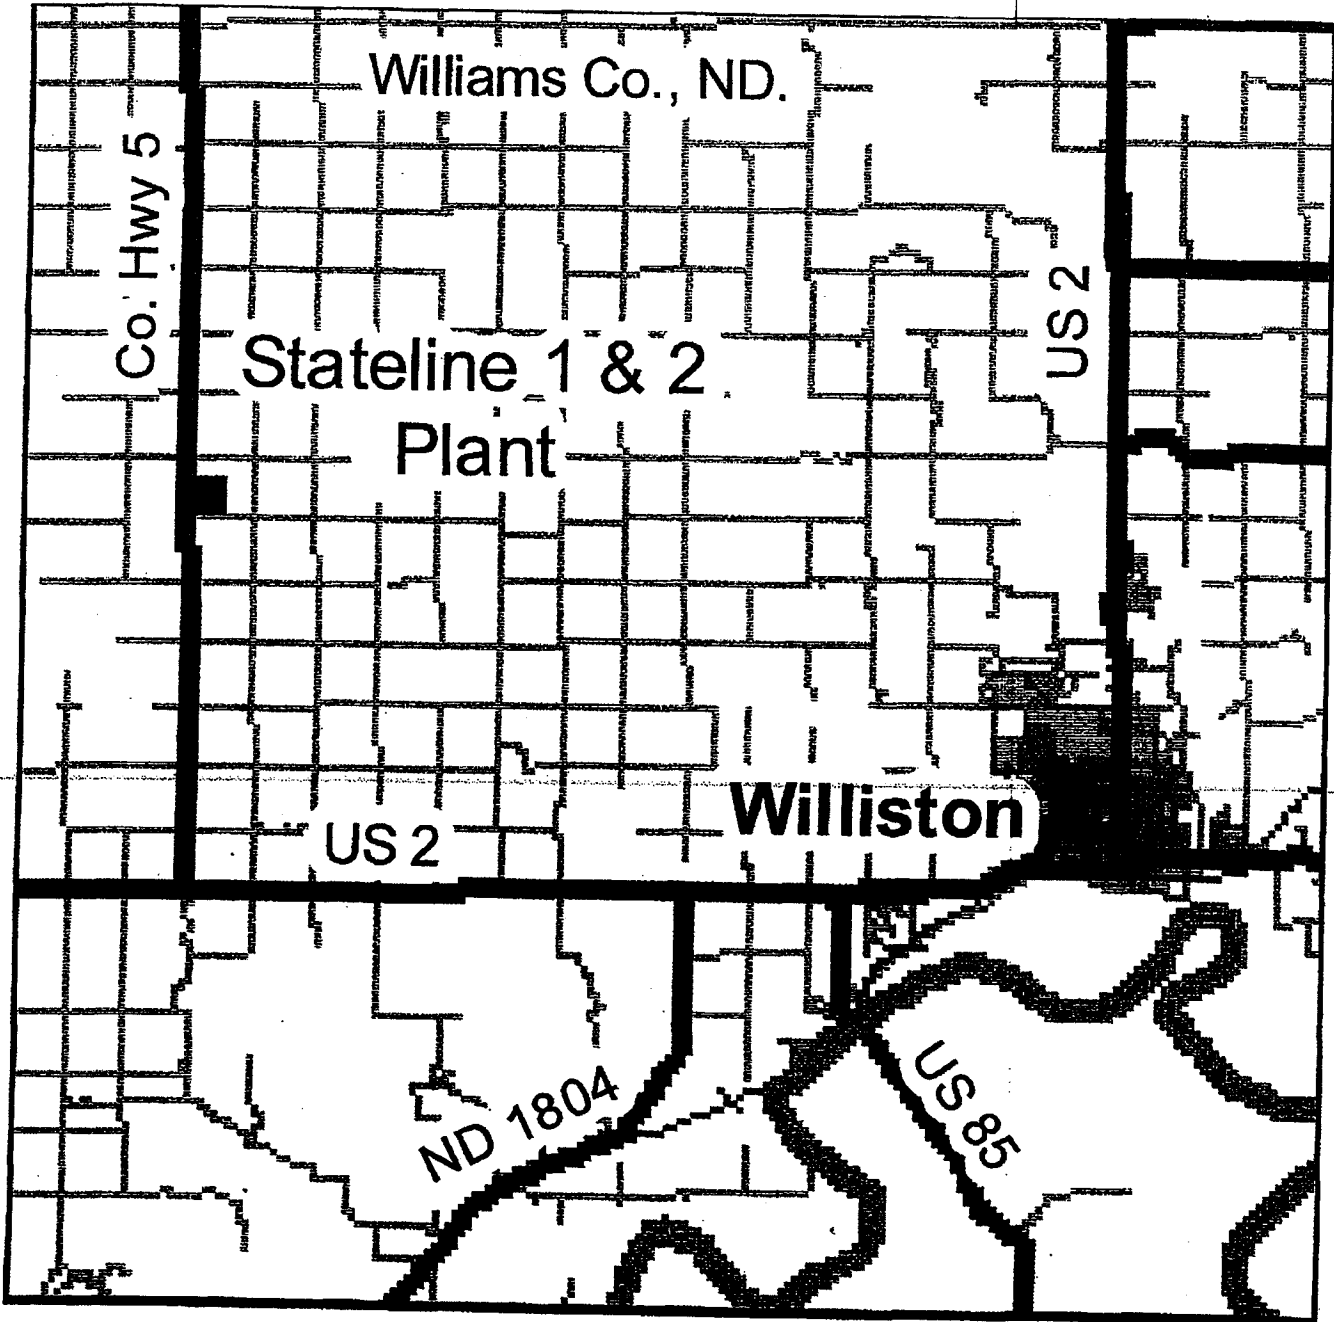

For more information contact the Public Service Commission, State Capitol, Bismarck, North Dakota 58505, 701-328-2400; or Relay North Dakota, 1-800-366-6888 TTY. If you require any auxiliary aids or services, such as readers, signers, or Braille materials, please notify the Commission at least 24 hours in advance.
