Re: Bear Paw Energy, LLC  
 Gas Processing Plants – Williams County  
 Siting Application  
 Case No.: PU-10-666

Dear Commissioners:

We are diligently working with OneOK to develop a plan to serve the proposed gas processing plants in Williams County. We have made transmission requests and are currently working with the various consultants and organizations to determine power requirement and availability. We are optimistic that we will be able to serve the proposed plants.

Sincerely,

Dale Haugen  
 Manager, Mountrail-Williams Electric Cooperative
