Mr. David J. Nilson
Reclamation Administrator

Leland Olds Station

Stanton, ND 58571-9417

Dear Mr. Nilson:

The Reclamation Division has reviewed BCS's August 8th response to our July 6, 2011 review letter regarding final bond release No. 8 to Permit BCGH-8204. All of the issues related to the public advertisement and notification letters (Items 1 through 10) have been appropriately addressed. You may now publish the public notice and mail the surface, adjacent surface and governmental agencies notification letters so that an inspection can be scheduled within the next few weeks.

If you have any questions, please contact this office.

Sincerely,

A handwritten signature in black ink, appearing to read "James R. Deutsch".
