STATE OF NORTH DAKOTA PUBLIC SERVICE COMMISSION

Allete, Inc.
Bison 2 Wind Project – Oliver / Morton Counties
Siting Application
Case No. PU-11-57
NOTICE OF FILING AND
NOTICE OF HEARING
May 18, 2011
On April 6, 2011, Minnesota Power, an operating division of Allete, Inc., (Allete) filed an application for a certificate of site compatibility to authorize

construction of a 105 MW Bison 2 Wind Project consisting of 35 wind turbine generators and associated facilities in Morton and Oliver Counties, North Dakota, as shown on the attached map.

A Public Hearing on the application is scheduled to begin July 7, 2011, at 10:00 a.m. CDT, at the Oliver County Courthouse, 11 West Main, Center, North Dakota 58530. The issues to be considered are:

1. Will the location, construction, and operation of the proposed facilities produce

minimal adverse effects on the environment and upon the welfare of the citizens of North Dakota?

2. Are the proposed facilities compatible with the environmental preservation and the efficient use of resources?

3. Will the proposed facility locations minimize adverse human and environmental impact while ensuring continuing system reliability and integrity and ensuring that energy needs are met and fulfilled in an orderly and timely fashion?

For more information contact the Public Service Commission, State Capitol, Bismarck, North Dakota 58505, 701-328-2400; or Relay North Dakota, 1-800-366-6888 TTY. If you require any auxiliary aids or services, such as readers, signers, or Braille materials, please notify the Commission.

Increased Law Enforcement Will Be Visible Over Memorial Day Holiday

Law enforcement agencies throughout the state are preparing for the Memorial Day holiday through increased seat belt enforcement to assure traveling motorists arrive at their destinations safely. As part of the national Click It or Ticket efforts, the increased enforcement period will

Scott Austin. "Our goal during the Click It or Ticket efforts is to increase our enforcement to ensure each and every traffic law is being followed appropriately, by everyone. We want to do our part of keeping that seat belt statistic as high as we are able and for our community as safe as possible,"
