Dear Mr. Kahl:

Minnesota Power and ALLETE Clean Energy (“ALLETE”) are writing to provide the North Dakota Public Service Commission (“Commission”) written notice that the DeTect Aircraft Detection and Light System (“ADLS”) was installed for the wind facilities in the above-referenced case numbers the week of December 6, 2021 in compliance with North Dakota Century Code Section 49-22-16.4(3) and North Dakota Administrative Code Chapter 69-06-11. ALLETE will continue commissioning and testing the ADLS the week of December 13, 2021 including initial test flights starting December 14, 2021.

If you have any questions or if the Commission requires any additional information, please contact me at 218-723-3963 or dmoeller@allete.com.

Sincerely,
