Patrick,

Thank-you for taking my call today regarding Bear Paw Energy's Garden Creek NGL Pipeline Project (PU – 11-066). As discussed, I have attached a file with a scalable graphic depicting the project for use with the public notice for the project hearing in McKenzie County. Please confirm that this is graphic suitable for publication. Should you prefer some other format or have suggested modification, please let me know at your earliest convenience so that the changes can be made.

Feel free to contact me if you have questions or seek any additional information.

Best regards,

Bill McCarthy
