## Notice of filing for final release of reclamation bond

The Falkirk Mining Company, 2801 1st Street S.W., P.O. Box 1087, Underwood, ND 58576, as applicant, has this 26th day of October 2011 filed for final bond release for completion of all reclamation work on 217.5 acres of land in Section 20, T146N, R82W of McLean County, located approximately one mile west of the City of Underwood, North Dakota.

The 217.5 acres were originally located in Falkirk's approved state mining Permit NAFK-8005. It was approved Oct. 5, 1981. NAFK-8005 was later combined with adjacent permitted areas to create NAFK-8705. The North Dakota Public Service Commission approved Permit NAFK-8705 on July 6, 1989. NAFK-8705 is currently part of a consolidated bond (including permits NAFK-8405 and NAFK-9503) in the amount of \$60,215,000. Falkirk calculated a worst case bond in Revision 20 to NAFK-9503 permit in the amount of \$60,214,264. However, at this time Falkirk is not requesting a reduction for the completion of backfilling, grading, respread of suitable plant growth material, and vegetation establishment.

Mining and/or mining disturbance within the 217.5 acres was initiated in 1983 and completed by 1989. The majority of the area was mined and/or used for spoil placement. County Road 14 on the northern edge of the bond release tract was not disturbed. Final grading to post-mining contour on these portions was completed with scrapers and dozers, with motor graders assisting in the spring of 1997. Areas within the bond release were subject to a variance

from the 3-year reclamation clock. SPMG respread and initial seeding was completed in 1998.

The approved post-mining land use within the 217.5 acres consists of approximately 195.6 acres of cropland, 13.0 acres of roads, and 8.9 acres of fish and wildlife habitat (wetlands).

The 217.5 acres have been managed in accordance with the approved reclamation plan.

Written comments, objections, or requests for a public hearing or informal conference regarding this final bond release request may be submitted by any person with an interest which is or may be affected by release of the bond to the North Dakota Public Service Commission, Capitol Building, 600 East Boulevard Avenue, Bismarck, ND 58505, within 30 days after the last publication of this notice. Any request for an informal conference or hearing should be made in writing to the Commission, and the request should include the issues or objections that an affected party has regarding this bond release.
