Meadowlark Wind I, LLC
New Frontier Wind Energy Project–McHenry County
Siting Application

Case No. PU-11-69

NOTICE OF OPPORTUNITY FOR HEARING

December 14, 2016

On April 25, 2012 the Commission issued Certificate of Site Compatibility Number 29 to Meadowlark Wind I, LLC (Meadowlark Wind) designating a site in McHenry County, North Dakota for a proposed 102 MW New Frontier Wind Energy Project consisting of up to 63 wind turbine generators and associated facilities.

On November 22, 2016, Meadowlark Wind filed a Certification of Continuing Suitability, certifying that the designated site continues to meet the conditions upon which Certificate of Site Compatibility Number 29 was issued. Meadowlark Wind plans to begin construction between the second quarter of 2017 and spring of 2020.

The issues to be considered in this matter are whether the site continues to meet the evaluation requirements and conditions under which Certificate of Site Compatibility Number 29 was issued and if so then during what time period should construction be authorized to begin.

Those interested are invited to comment in writing. Persons desiring a hearing must file a written request identifying their interest in the proceeding and the reasons for requesting a hearing. **Comments and requests for hearing must be received by January 31, 2017.** If deemed appropriate, the Commission can determine the matter without a hearing.

For more information contact the Public Service Commission, State Capitol, Bismarck, North Dakota 58505, 701-328-2400; or Relay North Dakota 1-800-366-6888 TTY. If you require any auxiliary aids or services, such as readers, signers, or braille materials please notify the Commission, at least 24 hours in advance.
