ND SHPO Ref: 11-2377C PSC Case No. PU-11-69 "New Frontier Wind Energy Project Class III Cultural Resource Inventory for Architectural Resources, McLean and Ward Counties, North Dakota"

Dear Mr. Anderson,

We reviewed ND SHPO Ref: 11-2377C PSC Case No. PU-11-69 "New Frontier Wind Energy Project Class III Cultural Resource Inventory for Architectural Resources, McLean and Ward Counties, North Dakota," and find the report acceptable. There has been a good faith effort to identify and avoid visual impacts to "Significant Sites," provided the project remains as described and mapped in this Tetra Tech report dated December 2016, and received in this office Jan. 31, 2017.

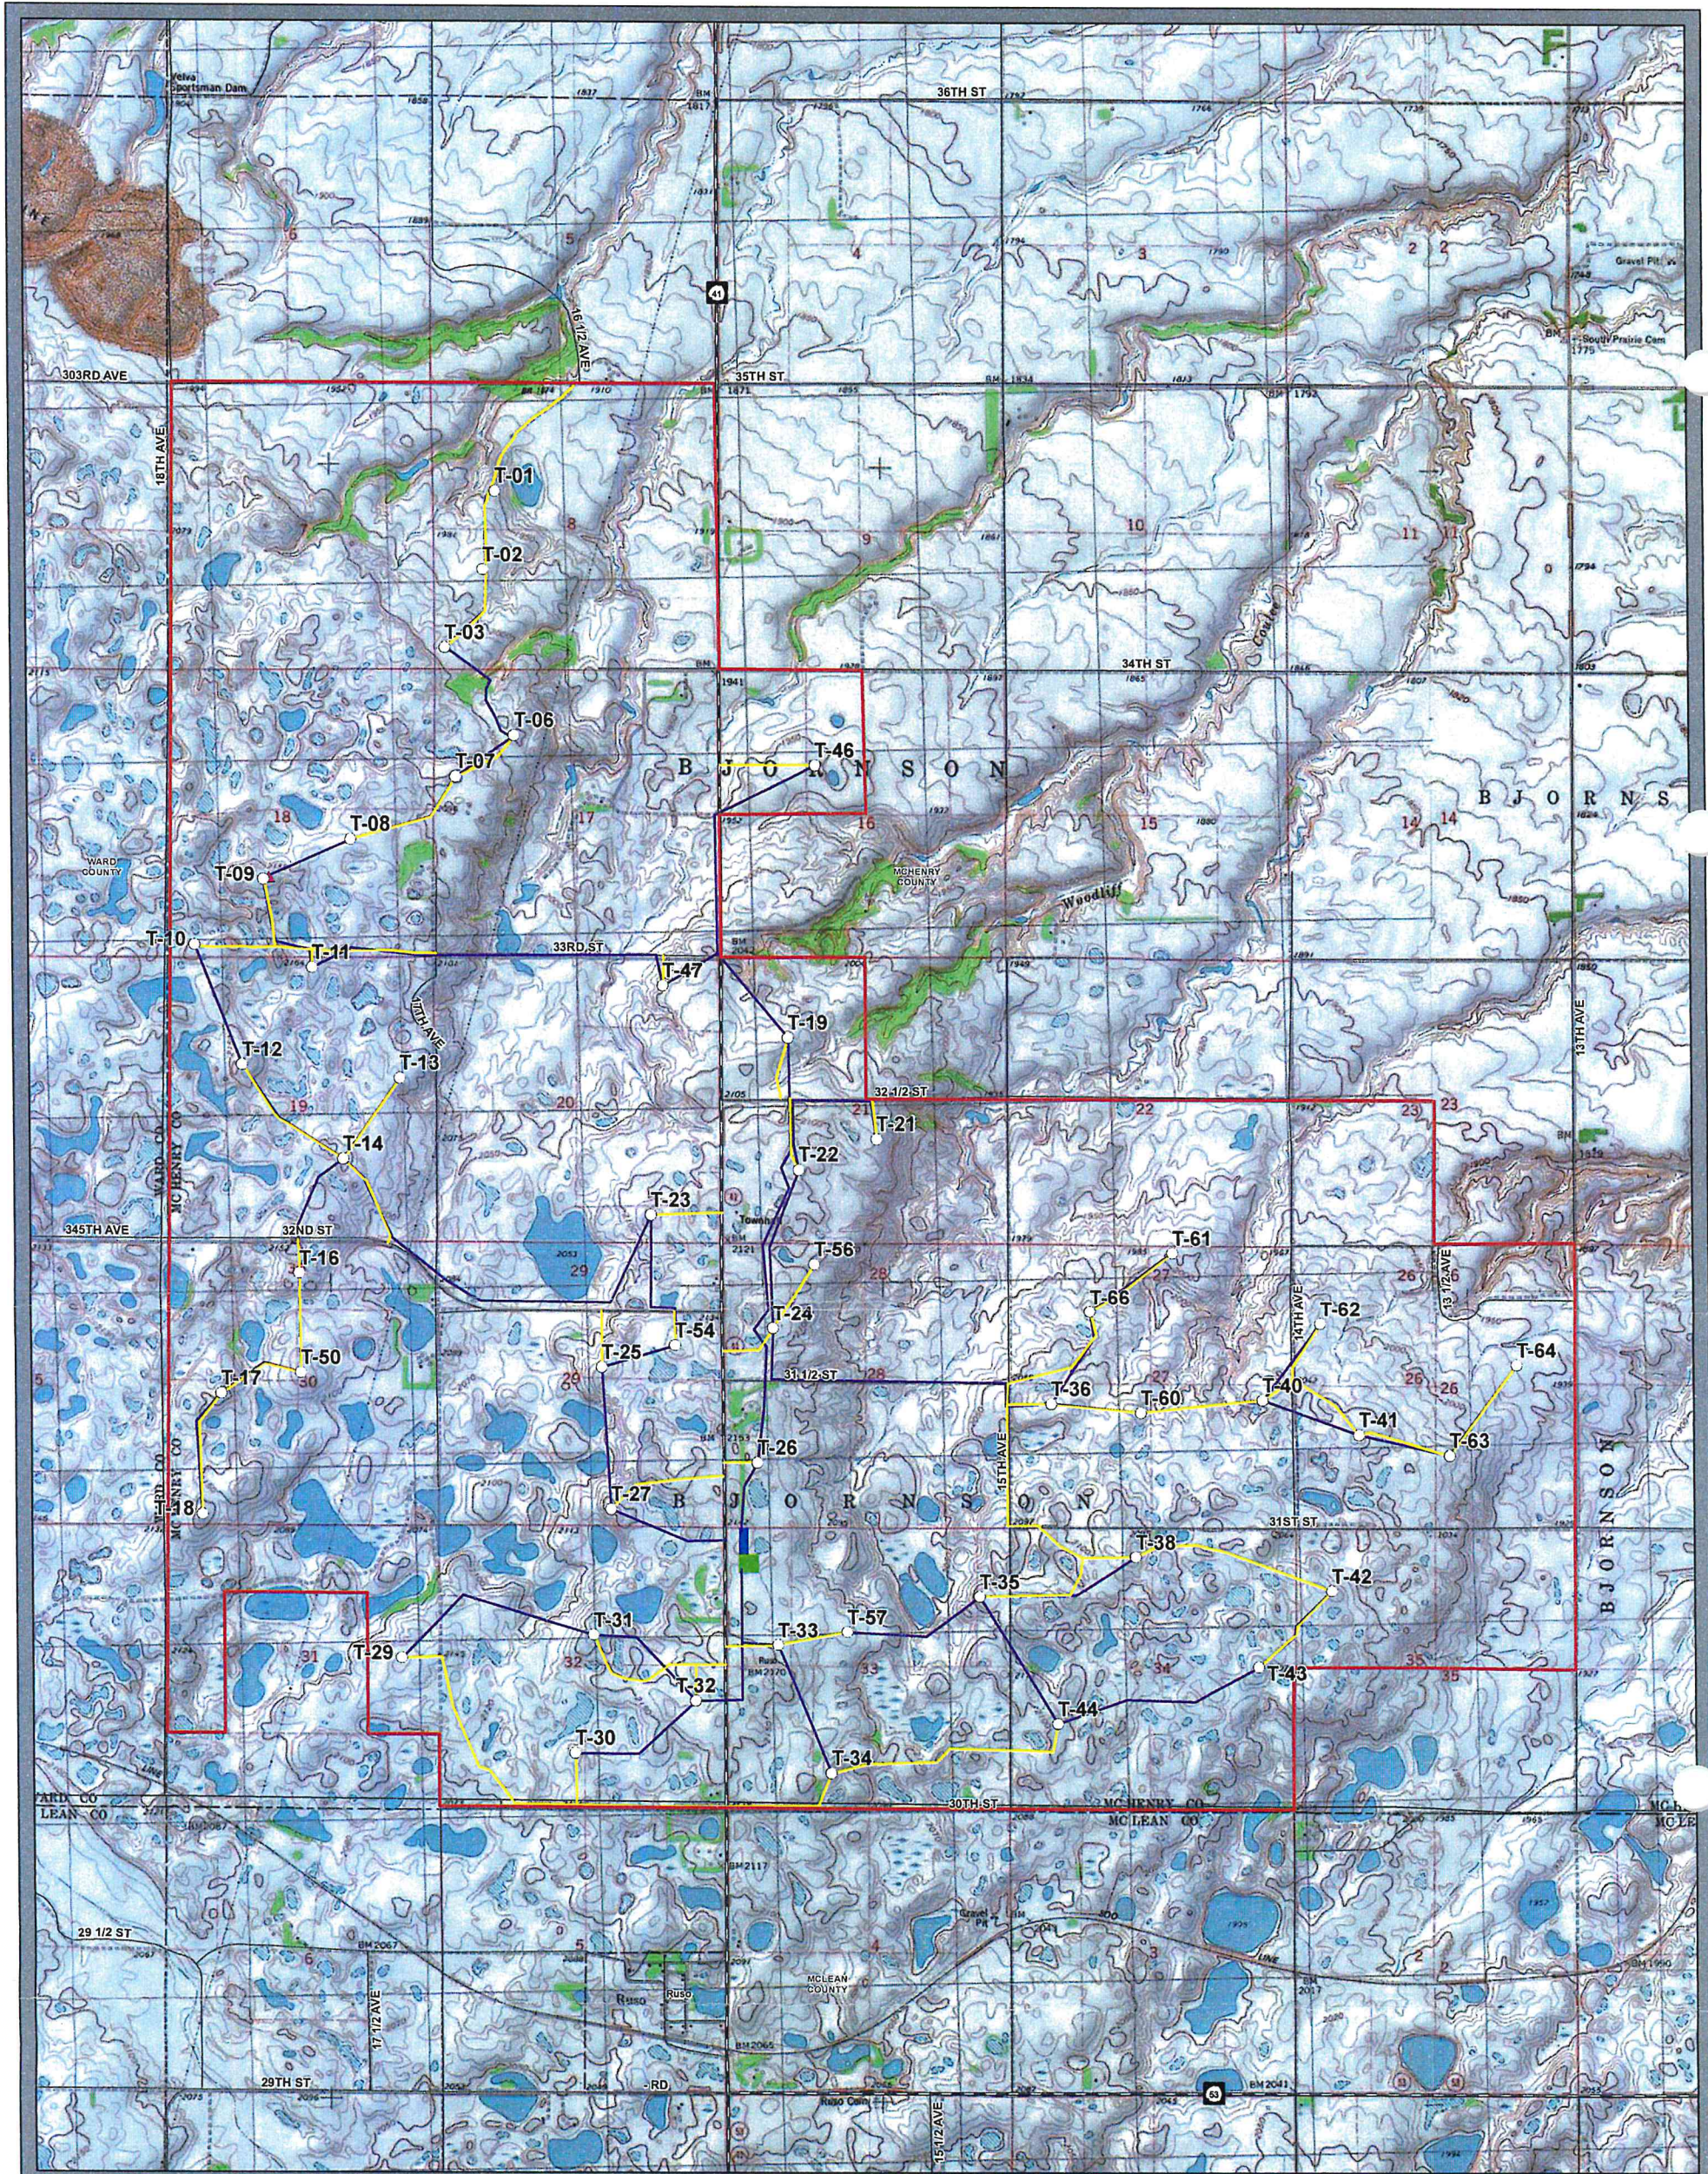

Thank you for the opportunity to review this project. If you have questions please contact either Paul Picha at ppicha@nd.gov or (701) 328-3574 or Susan Quinnell at squinnell@nd.gov or (701) 328-3576.

Sincerely,

Claudia J. Berg
Director, State Historical Society of North Dakota
