Meeting Minutes:

Commissioners discussed with staff the issue pending before the commission, whether to revise the topsoil order requirement as requested by the company. The commission had additional questions of staff and requested that the staff responses be made a part of the record in the proceeding. The commission asked the company to respond to the request

that the additional information be made a part of the record, as soon as practicable, so that if another Informal Hearing or work session is necessary, it can be held without further delay.
