Cultural Resources Addendum III Report for the New Frontier Wind Energy Project, McHenry County, North Dakota, Negative Inventory Report

Dear Mr. Anderson:

We have received and reviewed correspondence and document: "Cultural Resources Addendum III Report for the New Frontier Wind Energy Project, McHenry County, North Dakota, Negative Inventory Report," and find it acceptable. It is a good faith effort to identify and avoid impacts to "Significant Sites."

We concur with a "No Significant Sites Affected" determination provided the project is of the nature stated and it takes place in locations described in the project documentation.

Thank you for the opportunity to review this project and we look forward to further consultation on it. Please include the ND SHPO reference number listed above in any further correspondence for this specific project. If you have any questions, please contact either Paul Picha at (701) 328-3574 or [ppicha@nd.gov](mailto:ppicha@nd.gov).

Sincerely,

Claudia J. Berg

Dear Mr. Anderson,

We reviewed two reports, ND SHPO Ref: 11-2377D PSC PU-11-069 "Cultural Resources Addendum II Report for the New Frontier Wind Energy Project, McHenry County, North Dakota" and "Cultural Resources Addendum Report for the New Frontier Wind Energy Project Transmission Line McHenry County, North Dakota" and find these two reports acceptable. There has been a good faith effort to identify and avoid impacts to "Significant Sites," provided the project remains as described and mapped in this and previous project reports.

Thank you for the opportunity to review this project. If you have questions please contact or Susan Quinnell at [squinnell@nd.gov](mailto:squinnell@nd.gov) or (701) 328-3576.
