
VARIANCE PERMIT

McHenry County

To Accompany Zoning Permit # 910 Date 12-4-18

Name of Applicant Meadowlark Wind I, LLC

Having reviewed the proposed variance request with respect to the provisions of Article 4, Section 5 of the McHenry County Zoning Regulations, the McHenry County Commission agrees to the issuance of a variance permit to the above named applicant, contingent upon the following conditions:

This permit allows turbine T-06 to encroach the right of way of the GRE transmission line by 14.86'. This permit also allows turbine T-26 to encroach the right of way of the NDDOT Hwy 41 by 10.7'.

Should the applicant violate any or all of the above stated conditions, the variance permit shall be declared invalid and appropriate action will be instituted by the McHenry County Commission.

David Madolen
Chairman McHenry County Commission
