I agree that the MSA filing in Case No. PU-11-78 is no longer needed as it has been superseded by the Compliance filing in Case No. PU-10-124 and should be closed.

Rita,

It is my understanding that your March 1, 2011 Margin Sharing Adjustment Rate 57 is no longer necessary now that the commission has accepted our Settlement Agreement in the recent MDU rate case. Rather than sending a letter withdrawing the filing, please confirm that this is your understanding and that Case No. PU-11-78 should be closed without further ado. John will docket the email confirmation and the case will be closed.

Thanks. Mike
