duce minimal adverse effects and that adherence to applicable procedures and time schedules may be waived?

2. Is it appropriate for the Commission to waive any procedures and time schedules as requested in the application?

The issues to be considered in Hiland's applications for certificate of corridor compatibility and route permit:

1. Will the location, construction, and operation of the proposed facilities produce minimal adverse effects on the environment and upon the welfare of the citizens of North Dakota?
2. Are the proposed facilities compatible with the environmental preservation and the efficient use of resources?
3. Will the proposed facility locations minimize adverse human and environmental impact while ensuring continuing system reliability and integrity and ensuring that energy needs are met and fulfilled in an orderly and timely fashion?

**Arrow Field Services, LLC
4 Bears to CDP Connect Project - McKenzie County
Siting Application**

Case No. PU-11-99

**OAH File No. 20110325
NOTICE OF FILINGS AND NOTICE OF
RESCHEDULED HEARING**

September 20, 2011

On July 22, 2011, Arrow Field Services, LLC (Arrow) filed an application for a certificate of corridor compatibility and an application for a route permit to authorize the construction and operation of a 1.5-mile 8-inch crude oil pipeline originating at Arrow's existing CDP Connect Facility and terminating at an interconnect with the existing 4 Bears Pipeline, all in McKenzie County, North Dakota. The project is shown on the attached map.

On August 1, 2011, Arrow filed an application for waivers of procedures and time schedules including:

- Procedures that require separate filings of applications for a certificate of corridor compatibility and a route permit,
- Procedures that require separate notices of such applications,
- Procedures that require separate hearings on such applications.

The Commission finds the applications are complete.

A Public Hearing on the applications is scheduled to begin October 24, 2011, at 1:30 p.m. CDT (12:30 a.m. MDT) at the McKenzie County Court House, 201 5th Street NW, Watford City, North Dakota, 58854.

The issues to be considered in Arrow's application for waiver of procedures and time schedules:

1. Are the proposed facilities of such length, design, location, or purpose that they will produce minimal adverse effects and that adherence to applicable procedures and time schedules may be waived?
2. Is it appropriate for the Commission to waive any procedures and time schedules as requested in the application?

The issues to be considered in Arrow's applications for certificate of corridor compatibility and route permit:

1. Will the location, construction, and operation of the proposed facilities produce minimal adverse effects on the environment and upon the welfare of the citizens of North Dakota?
2. Are the proposed facilities compatible with the environmental preservation and the efficient use of resources?
3. Will the proposed facility locations minimize adverse human and environmental impact while ensuring continuing system reliability and integrity and ensuring that energy needs are met and fulfilled in an orderly and timely fashion?

**BakkenLink Pipeline, LLC
Crude Oil Pipeline - Williams to Billings County
Siting Application**

Case No. PU-10-218

NOTICE OF CONTINUED HEARING

September 7, 2011

On June 21, 2011, BakkenLink Pipeline, LLC (BakkenLink) filed applications for a certificate of corridor compatibility and a route permit to authorize construction for approximately 144 miles of 8-inch and 12-inch crude oil pipeline in Billings, Dunn, McKenzie, Stark and Williams Counties, North Dakota, as shown on the attached map. The trunkline will have bi-directional capability, and will be able to transport crude oil between Beaver Lodge and a new rail facility at Fryburg, North Dakota. BakkenLink also filed a request for waiver of procedures and time schedules established under North Dakota Century Code Chapter 49-22 and North Dakota Administrative Code Chapter 69-06-06.

On August 3, 2011, the Commission issued a Notice of Filing and Notice of Hearing scheduling a public hearing to begin September 1, 2011 at 10 a.m. CDT, McKenzie County Court House, 201 5th Street NW, Watford City, North Dakota, 58854. The Commission found the applications were complete.

At a worksession on August 30, 2011, the Commission indefinitely continued the formal hearing scheduled to begin September 1, 2011.

CDT, McKenzie County Court House, 201 5th Street NW, Watford City, North Dakota, 58854. The issues to be considered are:

1. Is the proposed facility of such length, design, location, or purpose that it will produce minimal adverse effects, or does a demonstrable emergency exist which requires immediate construction and that adherence to the procedures and time schedules would jeopardize the utility's system?
2. Will the location, construction, and operation of the proposed facilities produce minimal adverse effects on the environment and upon the welfare of the citizens of North Dakota?
3. Are the proposed facilities compatible with the environmental preservation and the efficient use of resources?
4. Will the proposed facility locations minimize adverse human and environmental impact while ensuring continuing system reliability and integrity and ensuring that energy needs are met and fulfilled in an orderly and timely fashion?
