CALL FOR BIDS FOR AMBULANCE FOR WILLISTON FIRE DEPARTMENT

The City of Williston will accept bids for a new ambulance as follows:
 Type 1x4 Ambulance

Detailed specifications are available from Fire Chief Alan Hanson at 317 11th Street West Williston, ND 58801-5127, (701)572-3400. Bids must be submitted in writing at the office of the City Auditor at Williston City Hall 22 East Broadway Williston, ND 58801, at or before 3:00 P.M. on May 21, 2012, which is the time of the bid opening. The sealed envelope containing the bid shall be accompanied by a detailed description of the apparatus proposed to be furnished, a fully completed specification package noting compliance of the bid, and a bid bond or certified check in the amount of 5% of the bid price.

The City reserves the right to accept and reject any and all bids and to accept the bid deemed by the Board of City Commissioners to be in the best interest of the City. The City also reserves the right to hold the bids for up to thirty (30) days and to waive any irregularity in any bid. Further information may be obtained from the office of the City Auditor, City Hall, Williston, North Dakota.

/S/ JOHN KAUTZMAN
 John Kautzman, City Auditor

STATE OF NORTH DAKOTA PUBLIC SERVICE COMMISSION Hess Corporation NGL Pipelines - Williams County Siting Application

Case No. PU-11-104
 OAH File No. 20120127
NOTICE OF FILINGS AND NOTICE OF HEARING
 April 10, 2012

On March 8, 2012, Hess Corporation (Hess) filed applications for a certificate of corridor compatibility and for a route permit to authorize the construction and operation of approximately 3.6 miles of three co-located pipelines located in Williams County, North Dakota; one 8-inch diameter propane pipeline, one 6-inch butane pipeline, and one 6-inch other natural gas liquids (NGLs) pipeline. The project will deliver an average of 31,500 bpd of NGLs from the Hess Tioga Gas Plant to the Hess Tioga Rail Terminal near Tioga, North Dakota, with a maximum capacity of 63,000 bpd. See the applications for details. See the attached map for the proposed pipeline location. Hess also filed a request for waivers of

procedures and time schedules under North Dakota Century Code section 49-22-07.2 and North Dakota Administrative Code chapter 69-06-06. A Public Hearing on the applications is scheduled to begin April 30, 2012 at 10:00 a.m. CDT at City Hall, 121st Street NE, Tioga, North Dakota, 58852. The issues to be considered in the Hess request for waiver of procedures and time schedules:

1. Are the proposed facilities of such length, design, location, or purpose that they will produce minimal adverse effects and that adherence to applicable procedures and time schedules may be waived?
2. Is it appropriate for the Commission to waive any procedures and time schedules as requested in the application?

The issues to be considered in the Hess applications for certificate of corridor compatibility and route permit:

1. Will the location, construction, and operation of the proposed facilities produce minimal adverse effects on the environment and upon the welfare of the citizens of North Dakota?
2. Are the proposed facilities compatible with the

environmental preservation and the efficient use of resources?

3. Will the proposed facility locations minimize adverse human and environmental impact while ensuring continuing system reliability and integrity and ensuring that energy needs are met and fulfilled in an orderly and timely fashion?

For more information contact the Public Service Commission, State Capitol, Bismarck, North Dakota 58505, 701-328-2400; or Relay North Dakota, 1-800-366-6888 TTY. If you require any auxiliary aids or services, such as readers, signers, or Braille materials, please notify the Commission at least 24 hours in advance of the hearing.
