CASE NO. PU-11-104

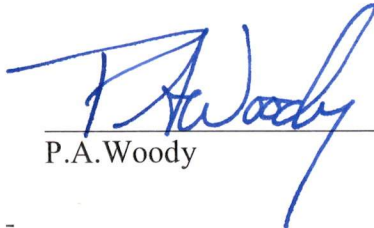

AFFIDAVIT OF P.A. WOODY

State of North Dakota)
)ss.
County of Ward)

P.A. Woody, being duly sworn, states as follows:

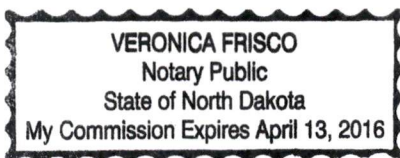

1. He is employed by Hess Corporation (“Hess”) as Land Team Lead in Minot, North Dakota and has knowledge of the matters contained in this affidavit.

2. In connection with the construction of the natural gas liquids pipelines from the Tioga Gas Plant to the Tioga Rail Terminal, Hess has obtained easements from the landowners on whose land the pipelines will be constructed. The original easements generally provided for a 100 foot wide construction easement and a 50 foot wide permanent easement. Due to the number of pipelines to be located in this corridor, Hess found it necessary to increase the width of the easement. It has obtained 200 foot wide construction easements and 100 foot wide permanent easements from all of the landowners involved except one who has verbally agreed to grant such an easement. Hess anticipates obtaining the final expanded easement sometime the week of July 16, 2012.

P.A. Woody

Subscribed and sworn to before me this 13 day of July, 2012.
