

WAIVER AGREEMENT

Vantage Pipeline (Grantee) is proposing to install a pipeline in an area that falls within five hundred feet of an inhabited rural residence located on your property described below, hereinafter referred to as the "Property":

That certain lot, tract or parcel of land situated in SW4 of Section 14, Township 160N, Range 100W, Divide County, North Dakota, more particularly described in a Warranty Deed dated August 27, 1970, from Roy Hagen and Orpha Hagen, husband and wife, to Joyce M. Knudsvig and Sharon M. Knudsvig, husband and wife, as joint tenants; recorded in Deed Book 80, Page 475, Document #138344; in the Register of Deeds of Divide County, North Dakota, less and except any conveyances heretofore made.

As a part of the regulatory approvals that Grantee is seeking for the pipeline project, Grantee will be required to adhere to North Dakota Century Code (N.D.C.C.) § 49-22-05.1, in the North Dakota Energy Conversion and Transmission Facility Siting Act, which states, in part:

49-22-05.1 Exclusion and avoidance areas – Criteria. The commission shall develop criteria to be used in identifying exclusion and avoidance areas to guide the site, corridor, and route suitability evaluation and designation process. Except for transmission lines in existence before July 1, 1983, areas within five hundred feet of an inhabited rural residence must be designated avoidance areas. This criterion does not apply to a water pipeline. The five hundred foot avoidance area criteria for an inhabited rural residence may be waived by the owner of the inhabited rural residence in writing.

By signing this Waiver Agreement, Grantor acknowledges that Grantor owns an inhabited rural residence located on the Property that is within five hundred feet of the proposed location of Grantee's pipeline and hereby agrees to waive the five hundred foot inhabited rural residence setback requirement set forth in N.D.C.C. § 49-22-05.1.

Dated this 17th day of November, 2011.
