VANTAGE PIPELINE US LP PROJECT, PSC CASE NUMBER PU-11-109

This submission provides an electronic and hard copy of the pipeline route prior to the start of construction.

The contents of this delivery include a CD ROM disk containing a shapefile of the pipeline route and a map document in PDF format.

The shapefile has a projection of NAD 83 North Dakota State Plane 3301 (North) US feet.

The pipeline route was developed in NAD 83 North Dakota State Plane 3301 (North) International feet.

The maps were produced using a NAD 83 North Dakota State Plane 3301 (North) US feet projection with a modified central meridian equal to 103.5° Specific map information is also included on each map page.
