Subject: Notice of intent to start construction

In accordance with Paragraph 5 of the ND PSC Certification Relating to Order Provisions – Transmission Facility Siting for the Vantage Pipeline, Vantage hereby informs the Commission and the Commission’s third party construction inspector, Mr. Tim Spilman, that Vantage intends to start construction on Monday August 5, 2013. Construction will begin at the southern end of the pipeline near Tioga, ND and move north. Vantage will file weekly reports as per paragraph 5.

Regards,

Terry Killackey
