RE: Discontinue Business - Request for Temporary Authority
Hettinger Co-op Equity Exchange

The Licensing Division received a Request to Discontinue Business from Hettinger Co-op Equity Exchange for its grain warehouse at Hettinger, North Dakota. This facility has been sold to and will be licensed by CHS, Inc. under a facility-based grain buyer license. There are no outstanding storage obligations at this facility.

Hettinger Co-op Equity Exchange asked that the request to discontinue business be approved effective immediately. I recommend the request be approved effective immediately, and that this action be noticed on the Commission's agenda.

Please sign and date this temporary authority request and return it to me.

Temporary authority authorized.

Commissioner  _____.

Date: 5-6-11.
