'Work Hard, Have Fun, Serve Others'

Administrative Assistant to the Director Bethel Lutheran Foundation

The applicant would join the Bethel Family as Bethel Lutheran Foundation's Administrative Assistant to the Director (AAD). The Foundation takes a team approach to fundraising and development, investment and accounting and management of independent living apartments.

The primary focus of the AAD is to provide fiscal accounting for the gifts, investments and operations of the Foundation. However as part of the team the AAD is fully engaged in all aspects of the work of the Foundation as it assists Bethel Lutheran Nursing and Rehabilitation Center in fulfilling its mission of "ministering to people in the name of Christ by recognizing each individual as a child of God."

The ideal candidate is looking for a mission rather than just a job. A passion for people and a desire to be enriched through service are desirable attributes. Discipline, honesty, confidentiality, and professionalism are necessary.

Bethel is a drug free, and smoke free work environment. Salary and benefits are competitive and based on experience and qualifications.

A complete job description and application form is available at Bethel Lutheran Foundation, 1705 3rd Ave W, Williston, ND 58801 or at blnc.com.
