RE: Roving Grain Buyer License

Dear Mr. Sexter:

Enclosed is North Dakota Roving Grain Buyer License Number 3175. Enclosed for your information are colored posters that address credit-sale contracts and procedures for resolving grain grade disputes.

State law requires that licensees must submit a monthly report within 30 days of the end of each month, even if you do not conduct business during a month. This report is available on the Commission's website at <http://www.psc.nd.gov/forms/formsgrain.php> under the Report Forms category. You can also file electronically at <http://psc.nd.gov/forms/grain/roving-grain-buyer-monthly-report-fillable.pdf>. If you file electronically, complete the fillable form, click on the "E-mail Form to PSC" button and send the e-mail message that is automatically created. If you want a copy of the report form for your records, you must print the form prior to forwarding it to the Commission.

Remember, these reports are **CONFIDENTIAL** and information on individual licensees cannot be released to non-governmental entities without the permission of the licensee.

Our laws and rules are also available at <http://www.psc.nd.gov/jurisdiction/grain/index.php>. Please call me at 701-328-4070 if you have any questions.

Sincerely,
