Colleen,

Please publish the attached public notice in each official county newspaper one time, as soon as possible.

Note that the publication of the notice must be in a display-type format with a minimum width of one column of approximately two inches [5.08 centimeters] and a depth of from three inches [7.62 centimeters] to four inches [10.16 centimeters].

Please do not publish the notice in the classifieds.

Please run the notice as a "News Item Only" article as well.

You may send the billing along with the tear sheets and Affidavits of Publication to the North Dakota Public Service Commission, 600 E. Boulevard Ave. Dept. 408, Bismarck, ND 58505-0480.

If you have any questions or cannot open the file, please call me at 328-4279 or email.

Please confirm via email that you received this request and we would still appreciate your answer to Illona's inquiry about estimates of publishing dates as well.

Thank you for your assistance.

John

Colleen—we are revising the notice before publication so this e-mail is confirmation of John's phone call asking you to wait for a new notice before proceeding. Thanks and I apologize for any inconvenience.

Also—when do you need to receive the notice so it is published in Fargo before 20 July? I know (or at least thought) that publishing in Fargo takes the longest, but I always forget how much time to allow. Thanks.
